- Word
- Excel
- Outlook
- Artios
- Figma
- Proficio
- Keynote

DESIGN SKILLS

- Sketching
- User Research
- Rapid Prototyping and Testing
- Model Making
- CNC Machine
- Clay Modeling
- Ideation
- Kongsberg Machine
- User Experience
- User Journey Map
- Wireframing
- User Flow Map
- Sitemaps
- Usability Testing

WORK EXPERIENCE

RWS Global

June - August 2025

Summer Co-op | Experiential Design Intern

While contributing to a large international experiential design project, responsibilities included conceptualizing retail spaces based on defined parameters, developing reference/mood boards, preparing presentations in Keynote, resizing and refining diagrams and visual assets, and supporting the design team by updating and maintaining the project matrix to ensure alignment with final deliverables. Additional tasks involved organizing various project files in Box, participating in design meetings, and providing cross-functional assistance as needed.

DAAP Galleries and Collections

August - December 2024

Fall Co-op | Galleries and Collections Intern

Oversaw the installation and deinstallation of artwork in the Reed and Meyers Galleries, ensuring the safe handling of pieces and alignment with the curator's vision. Utilized Proficio to generate condition reports and catalog artworks, while documenting pieces through photography with Ricoh 360 Tours. Developed a comprehensive brand style guide, and created a Prezi presentation for the school's website, in addition to completing various assigned tasks.

Pratt Display

January - April 2024

Spring Co-op | Design Intern

Utilized the Kongsberg Machine to produce precision-cut boards for the design team, while also engaging in ideation, iteration, prototyping, and construction for a personal project. Presented the final display to industry subject matter experts for evaluation and feedback.

Reston Association

2021 - 2023

Camp Counselor

Responsible for taking care of a group of varied age children five days a week during the summer. Planned activities, provided safety, ensured a fun camp experience, provided First Aid skills when needed, and cleaned each location before the camp left.

ACTIVITIES

2023 - present | IDSA member

2023 | Mentors and Muses

2020 - 2022 | Yearbook Club Editor

2020 - 2022 | Entrepreneur Glass Recycling Business

2019 - 2022 | Indoor, and Outdoor Varsity Track and Field
